### Chapter 3

## Man From Planet Ikemen

Additional warrior,  
Carlos Tikenkai

Hello  
there.

STRANGER V

An ambitious work which challenged the genre by establishing everyone as silent aside from the additional warrior, and included social problems in the story despite its strong comedic feel. It came out two years before Rurikarura.

This is  
Nakamura,  
the "Toku" who remembers  
every actor.

Yeah! That's not 'I' that's 'We'.

Uh  
but isn't this a children's show?

Does that count as part of his acting career?

Let's  
go in  
now!

I bought  
some  
popcorn.

Did you get  
fired up with  
my brother?  
Did you
